Results: The above listed tests were completed with no discrepancies noted. Refer to Test Report No. 420374-06-04-R25-0790A for complete details. As per ISO 17712:2013(E) Clause 5.1.2, “Testing is to be done once every two years”. Therefore, this report expires 2 years from the test completion date. The reason for this revision is to change the customer name.

The test results recorded in this report apply only to the samples as received and relate only to those items tested. Simple acceptance is the decision rule applied for all measurements related to the specifications referenced in this report. This report shall not be reproduced, except in full, without the written approval of Dayton T. Brown Inc.
